Extravirgin Oil

ORGANIC

Available in 0.5l and 0.75l bottles Organic Extra Virgin Olive Oil is produced environmentally correctly, adhering to precise conditions laid down by CE regulations.

Obtained from multivarietals: Leccino, Frantoio, Rasara, Grignano.

Olives are ground within 24 hours of harvesting.

All stages of production follow a strict quality control process, from harvesting, storage, processing, and preservation to packing.

Colour: Emerald green with shades of gold.

Delicately fruity, intense with a light bitter and spicy aftertaste.

An ideal accompaniment raw to fish starters, soups and white meats.

Certified by ICEA – quality control body, authorised by Mipaaf: IT BIO 006

D.O.P. Veneto Euganei and Berici. “THE DOGE’S OIL” Cold pressed, unfiltered”

Available in 0.5 l and 0.75 l bottles.

Obtained from quality olive varieties: Rasara minimum 50%, Marzemina, Leccino and Frantoio.

Olives ground same day of harvesting.

A delicate fruity aroma with a note of sweetness and a sensation of wild vegetables and almonds.

In the palate a well balanced and harmonious, smooth olive oil. Pleasantly sweet and full bodied with elegant notes of bitterness and spiciness.

Enjoy the oil at its best raw, on salads, first courses, meat and fish.

RASARA

Available in 0.5 l and 0.75 l bottles

Obtained mainly from Rasara olives. Typical multivarietals of the Euganean Hills .

Olives are ground within 24 hours of harvesting.

Colour: Intense golden green

A harmonious and balanced aroma, elegantly fruity with notes of artichoke and sweet almond.

The palate can easily detect the perfect balance of both the bitter and spicy flavours.

Excellent for enhancing the flavour of every kind of dish, ideal for seasoning fresh vegetables, first courses and traditional dishes.

ITALIAN (blend)

Available both in cans and bottles: 0,25 lt - 0,50 lt - 0,75 lt - 1 lt - 2lt - 3 lt - 5 lt. Obtained from a wide variety of olives: Leccino, Rasara, Frantoio, Pendolino, Matosso, Marzemina, etc.

Colour: Greenish yellow

Medium fruity and harmonious with notes of fresh green grass together with green apple and almond.

Olives are ground within 24 hours of harvesting.

A pleasant full-bodied and balanced flavour: medium fruity, fragrant with a light note of grasses and an aftertaste of artichoke and almond.

A delicate spicy and bitter end taste.

Best used raw on “bruschette”, as an oil dip, in salads, on raw and cooked vegetables, soups, grilled meat and fish, roast meat and ragù.

ARMOATIZED OILS (250 ml.)

CHILLY PEPPER OIL

It is made through pressing of chili peppers. It has a medium intensity of spiciness.

It accompanies pasta sauces , meats, pizza and many other dishes.

ORANGE OIL

Obtained by milling and cold pressing of hand harvested olives and natural oranges. Recommended for: boiled fish, sea bass carpaccio, steamed shrimp and seasonal salads in general.

LEMON OIL

It is obtained through the pressing of hand-picked olives and natural lemons., and this is why it is different from any other oil with only aroma added. It has unique persistence and fragrance. Try it with boiled fish, bresaola and arugula , cauliflower, salads and summer dishes.

ROSEMARY OIL

Obtained by maceration of the rosemary. Suggested to flavor grilled meat, roasts and sauces.

More delicate, it can be used as a topping for canapés or to prepare sauces for pasta and pizza.

RED PESTO

Made with dried tomatoes, cashews and cheese, mainly used for bruschetta, to taste sauces for pasta, pizza and mixed cheeses.

BLACK STONED OLIVES

Stoned olives, great to offer for happy hours, to prepare skewers with cheeses or cold cuts or to make sauces or roasts.

OLIVES IN BRINE

Great as appetizers or to accompany aperitifs. They can also be used for sauces or to fill pizza. Black and green olives are also available in 500 gr. packages.

CREN (available in the winter period)

Cren, also called Barbaforte, is a perennial herbaceous plant, of which we use the root, grated and mixed with vinegar and the 5% of our fresh extravirgin olive oil from Frantoio di Valnogaredo. It perfectly accompains boiled meat, roast-beaf, grilled meat, fish and eggs.

BALSAMIC VINEGAR OF MODENA

Raw materials characteristic:

Musts from grapes of property vineyards and Select Musts of the Emilia Romagna region. Vinegars of the Emilia Romagna region.

Intense brown, limpid and bright, dense, aroma charaterist, persistent, intense and delicate, with slight acetic pleasantly woody notes.

Taste bittersweet, balanced, palatable, long.

Without colouring and preservatives.

HERBAL LIQUEUR FROM COLLI EUGANEI

In the heart of the Euganean Hills, in Veneto, herbs, flowers, roots are wisely chosen as ingredients for decoctions, infusions and liquors, which are prepared with recipes passed on from generation to generation. This is a full tasting liquor, rich of equilibrated teastes of: artichokes, gentian, burdock, rhubarb, marsh-mallow, mint, licorice, mallow, melissa, frangula, juniper and fennel. It can be served plain at the end of a meal. It can also be served ore washy (with the use of seltz water) and served as a light and fresh drink.

CHESTNUT HONEY

It has a darker color and a pretty strong flavor, bitterish. Rich in ferro, it stimulates the production of erythrocytes and this is the reason why it is restorative. It fights coughs and is recommended for people who have ulcers.

WILDFLOWER HONEY

The production of this type of honey starts from the nectar of various plants, of which some are wild, while others are cultivated mostly during the summer. It has a pretty intense flavour and it accompains cheeses, breakfasts and genuine breaks. It is great for children, sportsmen, pregnant women, seniors, everyone who has a stressful and tiresome job. It is a great ally to overcome colds, coughs and pulmonary issues.

ACACIA HONEY

Rich in minerals of calcium and ferro, it is very limpid, light colored and its flavor is particularly delicate. It is restorative and a great detoxifier for the liver and great for any throat's irritation. It can be used in many meals as a natural sweetener or with some bread for a break.

CLASSIACL PANETTONE

(available in the Christmas period)

The traditional Christmas cake, sourdough, with a lot of soft raisins and Washington oranges cubes candied naturally in the open air under the simple atmospheric pressure, recognizable for its sweet-delicate taste and for the unique scent of vanilla and honey.

STRUCA'

Sweet naturally leavened, made with extra virgin olive oil, flour wheat, eggs of hens raised outdoor, yeast, brown sugar, Italian honey and candied orange peel.
