

LIQUEUR FROM OLIVE TREE LEAVES AND BRANCHES

Bottle 500 ml - Alc. 24% Vol.

The olive tree is one of the most long-lived trees in the world and the secret of so much life force is enclosed in its leaves as they contain precious elements for our health such as polyphenols that have an antioxidant and anti-inflammatory action.

Arbor Vitae is the result of an ancient infusion process of olive leaves and twigs, without the addition of flavors and dyes, 100% natural

Pleasant liqueur, it can be served fresh as a meal.

For an unusual aperitif, add a few drops in the glass of prosecco wine.
